330M HERITAGE PROSCIUTTO SLICER

Model 330M

FEATURES

Berkel Model 330M Heritage Prosciutto slicer features Berkel's hollow ground chromium-plated, carbon steel knife and builtin, single lever, dual-action sharpener. This slicer is perfect for ultra thin slicing in front of customers. The fly-wheel allows for precision slicing, every stroke. The product is automatically fed towards the knife after each stroke. A rear ring guard protects the non-slicing portion of the knife. The product clamp holds the meat from the top, ensuring that it is held securely. The 330M is easy to clean and disassembles quicky without tools.
